

**GetOn Skills Development Centre provides turnkey solutions to all your BB-BEE requirements!**

GetOn Skills Development Centre strives to uplift the community and eradicate poverty through our Socio-Economic Development, Enterprise Development and Skills Development initiatives. We give South Africans a second chance at life, by enabling them to become self-sustainable in order to create strong and happy families.

Through partnering with us your company will be able to contribute towards the following elements on the BB-BEE scorecard: Enterprise and Supplier Development (ED), Socio-Economic Development (SED), Skills Development Training (SD) and ownership. These elements contribute to over 90% of the total BBB-EE score card. With 10 years in operation , and over five years of experience in the field GetOn Skills Development Centre will assist your company obtain maximum BBB-BEE points with an efficient, and cost effective BBB-EE strategy tailor made for your procurement and skills development needs.

**How Can GetOn Assist you reach your BBB-EE Targets?**

**The New Amended BBB-EE Scored Card codes are made up of 5 Elements , GetOn Skills Development can assist you with four of the elements, totaling 90 Points of 100 with additional bonus points to be scored.**

**Skills Development (SD)  
20 Points**

**Enterprise/Supplier Development (ED)  
40 Points.**

**Socio Economic Development (SED)5 Points.**

**Ownership  
25 points.**

The amended codes place a great deal of emphasis on organisations assisting and transferring hard skills to black employees and black unemployed persons. BB-BEE Skills Development recognises:

- ◇ External training
- ◇ Training of staff
- ◇ Learnerships
- ◇ Internships

GetOn skills Development Centre trains over 1000 students a year in various courses, accredited and non-accredited.

Development of suppliers to build your procurement points or investment into our Business Incubation Hub housing 12 small black owned businesses.

Available enterprise development / supplier development points.

Save on costs as we will ensure the new businesses are less expensive than existing suppliers.

Availability to a network of BEE Businesses.

GetOn Skills Development as a registered:

- ◇ Non-Profit (NPO),
- ◇ Public Benefit (PBO)

We can provide your company with Socio Economic Development Points.

GetOn will also provide you with a Tax Certificate for any quantifiable donations.

NPOs are considered to be black-owned entities if at least 75% of their beneficiaries are black. On the back of that, the black ownership profile of companies can be enhanced if NPOs are made to be shareholders and funding is received by way of dividends

GetOn beneficiaries are 100% Black, to date we have directly impacted over 3328 beneficiaries, this indirectly impacting over 16 000 people.

A good BBBEE scorecard makes businesses more competitive, and achieved properly, is a sure way to get a return on their investment. With a social aspect people are often very negative about BEE, and that’s because they often fail to see the positive benefits of it. Looking for the good, you see companies actively trying to make a difference within the communities and for their own staff. When you look at enterprise development, skills development and socio-economic development you see something that makes an actual difference in the country.
