

If you are an aspiring entrepreneur,
and want to grow your business,
this course is for you! Only 30 seats available!

WOMEN IN TECH

During the week we will cover GetOn Entrepreneurial Seta Accredited course with the afternoons guest speakers invited to inspire and link entrepreneurs to opportunities. We are in search for young woman starting tech businesses!

Stand a chance to win a Business Incubation Package valued at R300 000, two of the 30 qualifying entrepreneurs will be awarded the prize.

This Includes:

- Accredited Life Skills training.
- An office in the GetOn Business Incubation Hub for 9 months.
- R50 000 investment into your business, equipping your office.
- R90 000 Seed capital paid over 9 months.
- R25 000 towards web-development, marketing and social media
- R30 000 Cash on achieving incentives.
- Weekly mentorship
- Monthly consulting with industry experts.
- Industry specific training as per entrepreneurs' requirements.

What a way to kick start your business!
